About the Society

The **Detroit Stereographic Society (DSS)**, sponsor of the Detroit International Stereo Exhibition (DISE), was founded in 1951 to promote interest in stereo photography. The DSS conducts 10 meetings a year consisting of club competitions, technical workshops, film and digital stereo presentations and social events. DSS members also help entertain and educate the public through stereo photography presentations at schools, museums and meetings of special interest groups.

The sponsors of this International Exhibition of Photography have been awarded Recognition by PSA, the world's largest patron of international photographic exhibitions. PSA, although it has provided recognition, is neither a sponsor nor directly involved in the operation of this exhibition.

Valid acceptances received by PSA Members in recognized sections of this exhibition are eligible for PSA Star Ratings, listing in the world-wide PSA Who's Who of Photography and credited towards the PSA Distinctions of QPSA, PPSA, EPSA, MPASA, MPSA2, GMPSA, GMPSA/B, GMPSA/S, GMPSA/G, and GMPSA/P.

PSA is a non-profit organization promoting the advancement of photography in all its forms to novice, amateur and professional photographers worldwide. For information on membership and the many services and activities of PSA, contact:
