

About the Society

The **Detroit Stereographic Society**, sponsor of the Detroit International Stereo Exhibition, was founded in 1951 to promote interest in stereo photography. The DSS conducts 10 meetings a year consisting of club competitions, technical workshops, film and digital stereo presentations and social events. DSS members also help entertain and educate the public through stereo photography presentations at schools, museums and meetings of special interest groups.

We look forward to receiving your film and digital images next year for the 2019 Detroit International Stereo Exhibition. The entry forms will be available on the DSS website, www.Detroit3D.org, after the first of April 2019.
